

Help Us Find Our Forever Home

Each year, The Empty Stocking Fund relies on the generous donation of space for Santa's Village—our gift warehouse and distribution center, where more than 2,000 volunteers help parents and guardians select gifts for their children. While we are grateful, the temporary space limits what we can do for our community. A long-term or permanent facility of 25,000 square feet will help us do so much more.

Configure the space to suit our processes so we can serve more children

Eliminate costs associated with frequently relocating

Ensure our volunteers and recipients have a safe, clean and consistent location each year

Capitalize on closeout gift buying opportunities, saving tens of thousands of dollars each year

Leverage our operational model to bring more joy to children living in poverty

25,000 SQUARE FEET WOULD ALLOW US TO

DISTRIBUTE
200,000
ITEMS

SERVE
50,000
CHILDREN

WORK WITH
2,000
VOLUNTEERS

What about the rest of the year?

During times when the full space isn't needed for distribution or storage of goods, The Empty Stocking Fund could utilize the space in other ways:

Art Exhibitions

Community Organizations

Non-profits

After School Tutoring Programs

Seasonal Retail Space

Music & Festival Grounds

Movie Studios

Parking Area

Sports Field

Seasonal Park/ Playground
